AT A GLANCE

The journey

Twelve days gives a honeymoon room for both adventure and rest, and this route keeps the two clearly apart.

For the safari you have your own vehicle and guide, so the timetable is yours. The route covers Tarangire, two nights in the central Serengeti and two at Ngorongoro, with a celebratory picnic on the crater day. Distances are kept moderate, and each stay after the first is two nights.

On Zanzibar you have five nights. A spice farm and Stone Town are visited together on one day, a dhow cruise at sunset fills an evening, and one day is left for an activity of your choice, such as snorkelling at Mnemba or a trip to a sandbank. The other days are free.

Good for: honeymooners and couples celebrating an anniversary. Tell us the occasion when you enquire so that the lodges can be told in advance.
